Figure 1 consists of two maps. The left map, titled "Location of County within State", shows the outline of the State of Georgia divided into its counties. One county in the central-eastern part of the state is highlighted in orange. The right map, titled "Sheet Location within Entity", shows the outline of the Entity (a large, irregularly shaped area) highlighted in yellow. A small rectangle in the bottom right corner of the Entity indicates the location of the specific sheet.

NAME: Clear Creek County (019)
